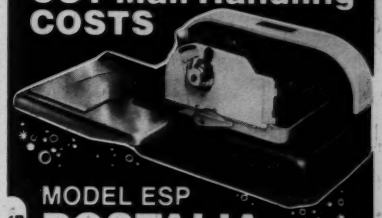
CUT Mail Handling COSTS



MODEL ESP
POSTALIA
ELECTRIC MAILING MACHINE

Speeds Handling of Letters or Parcels

- Low-cost.
- Provides accurate record of postage costs.
- Especially suited for small to medium size mail volume.
- Incorporates postage meter or UPS register.

Machines' electric action quickly and automatically seals, imprints, ejects and stacks envelopes. Compact and portable, the Model ESP can be conveniently located anywhere in your office or mail room. Modular design permits removing the postage meter and using it to imprint directly on manila envelopes or parcels. Pressure sensitive tape can also be used.

Call 312/629-9100 or write for information.

DATAFLO 1500
ELECTRONIC COPYHOLDER IMPROVES PRODUCTIVITY AND REDUCES OPERATOR FATIGUE

Dataflo frees both hands of the operator for full attention to the keyboard as copy control is foot actuated.

- Advanced line-guide system of wide angle magnifying bar that makes copy highly visible, reducing both errors and fatigue.
- Built-in fluorescent light provides "spotlighting" for focusing attention on copy.
